

EDC CELL

Entrepreneurship Development Cell (EDC) was established in the Institute with a vision to introduce & promote Entrepreneurship skills among the students & Industry-Institute Interaction (III). The mission of EDC cell is to encourage & refine the Entrepreneurial and product development skills of the students like idea generation, opportunity evaluation, business modelling, marketing, Intellectual property rights, new innovative project development, skill development and many more. To develop the above qualities & to become an Entrepreneur on regular basis EAC (Entrepreneurship Awareness Camp) is arranged each year for final year students.
